Please provide me information regarding the next training dates and locations.

[Note: A schedule of trainings is available at www.vetprobono.org by clicking on "Attorney Training".]

I am interested in distance training via DVD. I understand that DVD-trained attorneys will receive cases later than classroom-trained attorneys and that DVD training is available only when there are not sufficient classroom-trained attorneys available to take a case.

Please call or email me. I am interested in finding out more about the program.
