SANDY PETERSON

Manager of Client Services

Sandy Peterson serves as the Manager of Client Services with the Veterans Consortium Pro Bono Program. She joined the team in 2009 and has served as a Docketing Assistant, Intake Administrator, and Client Services Coordinator. Currently, Sandy supports the Consortium mission by managing the Client Services team and the organization's Limited Legal Assistance and Information Helpline Program. She oversees staff and processes, ensuring that clients are informed about the Court's procedures and how the Veterans Consortium can help. In addition, she assists with the day to day technology needs of the company.

Sandy is a D.C. area native, and studied at the University of Mary Washington where she earned her bachelor's degree in Psychology. Prior to working at the Veterans Consortium, she worked as a program analyst on a government contract for the U.S. Coast Guard. When she's not at work, Sandy enjoys golfing, cooking, and shopping (but not at the same time!)
